

Recycling Guidelines

Bumpy Roads Disposal provides curbside residential recycling within the City of Lenexa, KS. We collect a variety of recyclable materials. Residents are encouraged to recycle as much as possible. Together, we can help to ensure a greener future for our community.

How Should Recyclable Material Be Set Out?

Bumpy Roads will pick up an unlimited amount of recyclables from each home. The initial recycling bin will be supplied to homeowners at no cost. Homeowners may use their own containers; including trash barrels. These containers need to be well marked with "RECYCLING".

- Recyclables can be commingled loosely in the recycling bin
- Corrugated cartons should be cut or reduced to 2' x 2' and placed under the recycling bin
- All containers should be thoroughly rinsed
- Labels are okay
